

Prophetic Word

Dimitra Parpottas, January 2021, Every Nation Rosebank

When praying for the church, I felt led to Ephesians 4:7-8, "But grace was given to each one of us according to the measure of Christ's gift. Therefore it says, "When he ascended on high he led a host of captives, and he gave gifts to men."

I was also led to Psalm 46:10, "Be still and know that I am God. I will be exalted among the nations, I will be exalted in the earth."

While praying through these verses and seeking God's heart for the church, I had two visions:

1. I saw Jesus seated in a huge library holding a huge ancient book. The book was open and light was streaming out of it. I also saw what felt like thousands of names floating out of the book. I asked who all the names belonged to and felt Jesus saying that they were the names of people who will come to Him through the church.
2. I also had a vision of the church. At first, it looked empty from the outside, but then the auditorium doors opened and streams of people (young, old, men, women and children) came rushing out, but with such enthusiasm and excitement. I felt God saying, "These are the next generation of my SENT ONES." After I had this vision and my time of prayer, I walked outside into my garden and saw so many butterflies flying around my garden and felt like that was confirmation.

So, to put it all together, I feel the Lord is saying the following:

1. Our church right now is not held captive by the current circumstances.
2. I felt that there is going to be a completely different dynamic in the congregation. We are going to see multi-generational members working together and doing life together more. A greater unity within the church.
3. I feel that there is a grace on **missions** in this next season. There will be many sent ones, a greater boldness on people to go out and reach the lost.
4. I also sensed that there is going to be a greater move of the spirit in the church in this next season.
