

EVERY NATION JOHANNESBURG

LEADERSHIP 215 STUDIES 2024

Leadership 215 consists of twelve courses developed and taught by Every Nation leaders from around the world. It is focussed on providing students with minimum theological standards representing who we are and what we believe as a movement. The emphasis of the curriculum is on helping to establish theological foundations for ministers of the Gospel. The curriculum consists of 12 modules which are listed below.

Each Module consists of twelve Lessons and each Lesson has several Steps, which typically include recommended Reading, a Lecture, a brief Quiz, a Reflection section, and Prayer points. The lectures are about one hour long. Modules conclude with additional Reflection Questions and a brief Survey.

Further details can be found on the 215 website: <http://www.leadership215.com>

The name “Leadership 215” is based on the following passage: *“Do your best to present yourself to God as one approved, a worker who has no need to be ashamed, rightly handling the word of truth.”* (2 Timothy 2:15)

Since January 2020 Leadership 215 has been offered as an online course. Using Pathwright, a Learner Management System, students complete the 12 modules by listening to 12 videos in 12 lessons for each of the 12 modules. There is an option for students to listen to the audio recordings when they are travelling or out of wi-fi range. Students complete a Reflection step where they answer 3 questions based on the lectures and course notes (which students can also download and use to fill in the key words that are highlighted in the videos). There is also a Quiz that is completed for each of the 12 lessons in every module to review what is being learnt. A huge benefit of this system is that all submitted work will be personally responded to by the course moderator to provide encouragement, guidance and extra insights. At the end of each Module students will be required to attend a one hour Zoom session on a Sunday night at 7pm.
